

The information below compares the attainment in 2024 of our pupils against the national average. School performance data for the 2022/23 academic year should be used with caution given the ongoing impacts of the COVID-19 pandemic, which affected individual schools and pupils differently.

### Early Years Foundation Stage

**73%** of pupils in Reception attained a Good Level of Development against the Early Years Framework. The 2023 national percentage was 67.2%.

A Good Level of Development is defined as children working at the expected standard or exceeding the expected standard in the key areas of literacy, maths, physical development, communication and language and personal, social and emotional development.

### Year One Phonic Screening

**88%** of pupils in Year One attained the expected standard in the Phonic Screening test. The 2023 national percentage was 79%.

### Key Stage 2 SATS

Judgements are made as follows:

**Working Towards (WTS)** – Working towards the expected standard

**Expected Standard (EXS)** – Working at the expected standard for a child at the end of Year 6

**Greater Depth (GDS)** – Working at greater depth within the expected standard, with a strong understanding of the curriculum.
