

Remember to say thanks...

It only takes a TAP!

What is TAP?

TAP (Thanks and Praise) is a platform on WhatsApp which makes it easy to thank and reward people working in healthcare and education.

How does it work?

It's easy! Join us on WhatsApp and tell us who you want to thank and what you want to say. We do the rest. TAP points will be allocated to you and the person you thank, and these can be redeemed with participating retailers. Simply follow the steps below:
