# Part A: Pupil premium strategy plan

## Statement of intent

- To improve education outcomes for disadvantaged pupils.
- To provide a holistic and inclusive approach to meeting the needs of disadvantaged pupils and their families.
- To ensure all adults in school are aware of the individual needs of our disadvantaged pupils and feel confident supporting these children to be the best they can be.
- Our work through the Pupil Premium will be aimed at accelerating progress, moving disadvantaged pupils to at least age-related expectation and matching the attainment of their peers
- To inspire disadvantaged pupils to recognise the value of education and learning and to recognise how they can make a valuable contribution to life in the 21st century.
